

Reconceptualising
AYUSH

About us

International Council of AYUSH is an autonomous body of Ayurveda, Yoga and Naturopathy, Unani, Siddha and Homoeopathy, recognized globally. It was founded in January 2017 by eminent and legendary professionals in the field of AYUSH. Major aim of the council is to maintain an inclusive perspective on different disciplines of AYUSH and of nurturing a continuing collaboration between them. It is an international apex body for the formulation, co-ordination, development and promotion of research on scientific lines in AYUSH systems of medicine.

Mission

- Encourage and strengthen international co-operation in AYUSH.
- Inspire co-ordinate and more scientific research forward and foster practical application.
- Provide scientific, traditional, indigenous knowledge and practical experience of AYUSH for all organization and institutions worldwide.
- Contribute to all the disciplines, branches and themes of AYUSH for promotion and integration among themselves.
